### INTRODUCTION

=====

This guide is designed to help you with The Headmaster, by Altos and Herdone.

The majority of this guide explains how to complete all the events in the event log. To see the event log in the game, click the "Replay Scene" button at the top right on the main map screen.

This guide also explains how to punish the girls and increase their punishment levels. It also includes some other information and notes about the game, such as a list of the influence points you can earn, the requirements for changing the school rules etc.

### Table of Contents

-----

At the start of this guide there is a table of contents. In front of each item listed, there is a short code e.g. [PAT01]. You can do a search on this code (include the square brackets) to jump directly to that section of the guide.

The table of contents starts by listing all the game events you can unlock, sorted by the main headings shown in the event log. Some additional events are included at the end of the Event Log list. These extra events are not included in the event log, but you may need to complete them before you can complete other events. These have XTRA as their short code.

There is then some additional information about punishing the girls, how to raise their punishment levels, and unlocking the associated school rules. These have XPUN as their short code.

The end of the document includes some additional information, such as a list of all the available influence points, and notes on discipline and grade changes etc. These notes have INFO as their short code.

### Walkthrough

-----

I have created a separate walkthrough for this game. This document explains how to complete all the quests in the game. This includes the main quests, and the staff and student quests.

This guide also includes links to the information in the walkthrough. References to short codes in the Event Log Guide will have "WT:" in front of them, e.g. (WT:QSTA01).

#### IMPORTANT NOTE

-----  
This game is still in development. This means that things are likely to change. It's also possible that there might be some bugs. I try to keep this guide up to date, but I don't always have the time to fully playtest every release.

So if you find things which are wrong, or don't seem to be working, please post a message in this forum and I'll check it out.

STAFF QUESTS (EVENT LOG)

=====

[STA01] Miss Chang's Formula

-----

Once you have \$500, buy the "Upgrade science facilities" from the Upgrade Facilities option on your computer. In the evening, talk to Miss Chang in her classroom about the New Equipment. This will give you +1 Influence point.

Mr Mykock will visit you the following morning and give you a warning. During the day, visit Miss Chang's classroom. You will then see Miss Chang's clothes dissolving solution in action.

[STA02] The Interview

-----

Once you have unlocked Miss Chang's Formula (STA01), visit Miss Chang in the evening again and ask her for "further help with the board". She will say she wants a lab technician. The following day, use your phone to call Sam into your office and talk about the New Technician. She'll say she needs 3 days.

On day 4, call Sam back into your office and ask about the Lab Technician. She'll say she's found 2 candidates, who you can interview. (Note: Sam needs 3 days, not 3 working days, so if you ask Sam on Thursday you can hold the interviews on Monday).

To unlock this event, you can select either candidate. But to unlock Trixie's Second Chance (STA03), you need refuse Trixie's offer of a blowjob so that you hire Anna instead. In the evening, speak to Miss Chang. She will thank you and you will get +1 Influence Point.

Alternative path: if you accept Trixie's offer of a blowjob, you will hire her as the lab technician. It also means you see a nice little cut scene of Trixie giving you a private dance. You will then need to make her the dance teacher instead. See XTRA01, Making Trixie the Dance Teacher, for more details.

[STA03] Trixie's Second Chance

-----

Complete the Interview (STA02) and refuse Trixie's offer of a blowjob. You will then hire Anna. That night, Trixie will come to your apartment and this event will unlock.

To unlock several of the other events, you need to accept her offer of a blowjob and hire her as the dance teacher.

#### [STA04] Trixie's Special Relaxation Techniques

---

Hire Trixie as the dance teacher, either after her interview (XTRA01) or during Trixie's second chance (STA03). Visit her apartment any evening, and this event will then unlock.

Note: if you hire Trixie as the lab technician during the interview (STA02) but have not yet made her the dance teacher (XTRA01), then you cannot visit her apartment.

#### [STA05] Spanking the English Teacher

---

During the evening, visit Miss Potts' apartment. You can visit her any night (including weekends) except for Wednesdays. You will have an initial conversation where you agree to give her additional training.

You will then need to visit her another 6 times, and choose "continue training". The first 4 lessons will involve you discussing (in order) her need to show confidence; classroom dynamics; the need for consistency; and how she is making progress. The last 2 lessons will involve you giving her a verbal telling off.

After this, you will need to visit her classroom during the day, where you will see her managing to control Debbie. You will receive +1 Influence point. Following this, you will need to visit her in the evening again, where you will say she needs a practical lesson in being spanked. The next time you visit her, you will carry out the spanking.

#### [STA06] Punished by the Books

---

Complete Spanking the English Teacher (STA05). During the evening, visit Miss Potts' apartment again and chose to continue her training. You will give Miss Potts another lesson, and this event will then unlock.

#### [STA07] Claire Teaches Faye a Lesson

---

Complete Punished by the Books (STA06) and pass the Very Strict Uniform Policy (XPUN03). During the day, visit Miss Potts' classroom and this event will unlock. You will receive +1 influence point from her.

#### [STA08] Stealing Priti's Password

---

In the evening, visit Mr Wilson's apartment. He will tell you that he will only support you if you steal Priti's email password. Accept his offer. This will unlock the "Priti as a Picture" staff quest (WT:QSTA03).

If you haven't already done so, upgrade the Science Facilities (see STA01). The following evening, visit Miss Chang in her classroom and ask about "stealing passwords" and then about "the keylogger programme".

The following school day, use your office phone to call Priti to your office. You will then steal her password and social media pictures. Visit Mr Wilson in the evening and give him the password. This will give you +1 Influence Point.

(Fun note: you can then view Priti's social media pictures using the Photo Album app on your computer.)

#### [STA09] Priti's Pictures: The Direct Approach

-----

After you have completed the Stealing Priti's Password event (STA08), visit Mr Wilson in the evening to hand over the password. Visit him again the following evening and ask for "more help with the board". Agree when he says he wants nude pictures of Priti.

The following morning, Priti will talk to you about her ideas for the school website. During this conversation, you will think about two ways you could get the photos: accuse her of a crime, or get her to model swimming costumes.

Once you have \$1000, buy the Digital Camera from the Online Shopping | Electronics option on your office computer. (You might already have this if you have completed Debbie's punishment event XPUN03.) It will arrive the following weekday. You can then use your phone to summon Priti to your office.

You should then choose to "trick her". See STA10 (Priti's Photoshoot) for details.

(The "order to strip" option will give you less influence points and will result in you losing grade, discipline and popularity points. See XTRA02 for details.)

#### [STA10] Priti's Photoshoot

-----

When completing Priti's Pictures: The Direct Approach (STA09), you will need to select the "trick her" option. You'll take some basic photos of her, and will unlock the ability to purchase the "school swimwear samples".

Once you have \$1500, buy the School Swimwear Samples from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday. You can then use your phone to summon Priti again and complete the photoshoot. (You can then view the pictures using the Photo Album app on your computer.)

Following the Photoshoot, Mr Mycock will visit you and offer to pay you for the photos you take. See XTRA04 for more details.

(Fun note #1: you can then view the photos you took during both photoshoots (STA09 and STA10) using the Photo Album app on your computer.)

(Fun note #2: if you do an underwear inspection on Priti on Tuesday morning after you've completed the photoshoot, you will see that she's a lot less reluctant than she was before doing the photoshoot.)

[STA11] Hey Mr, Wanna Buy Some Candy

-----  
After you have hired Trixie (STA03 or XTRA01) and completed Priti's Photoshoot (STA10), visit Mr Wilson's apartment in the evening and refuse to hand over the photos. Wilson will tell you he wants an attractive prostitute and some Viagra.

Once you have \$200, attempt to buy the Viagra pills from the Online Shopping | Health option on your office computer. When you get the option, buy the cheap \$20 pills instead. Use the phone in your office to summon Trixie and then ask her about the prostitute. The following day, check your email. You'll need \$2500 to order the prostitute.

Once the pills have arrived and you've paid for the prostitute, see Mr Wilson in the evening and tell him about the prostitute. Remove the warning label from the pills before you hand them over.

At the end of the following day, you'll be told by Samantha that Mr Wilson didn't show up to his last class of the day. (If it's a weekend, you'll get a phone call from Miss Potts saying Mr Wilson didn't show up to a book club instead.) You'll then automatically go to Mr Wilson's apartment.

The event unlocks at this point and you can choose to play through however you want. The following evening, go back to Mr Wilson's apartment and talk about Candy. You will get +2 Influence points.

Note: There are a couple of alternative ways of completing this event, although you will not unlock all events in the Event Log. See XTRA03 for details.

[STA12] Little Sally Still Wants to Fight

-----  
Open the Recycle bin on your computer and read the April 15 entry. That unlocks the Main Quest "If a Headmaster Falls in the Woods" (WT:QMAIN02).

Complete the "Order to the Chaos" Main Quest and have the Second Dream (OTH07). Next Friday at the next School Board propose the Corporal Punishment rule that "Corporal punishments may be carried out on students by any teacher regardless of gender".

Speak to Ruth in the Teachers' Lounge during the day and ask about "the old headmaster". Then speak to Miss Chang in the evening and ask about "the old headmaster's password". Miss Chang will say she wants you to play a trick on Miss Newman first.

If you have not already done so, have your initial conversation with Sally on Monday, Tuesday, Wednesday or Friday afternoon. See OTH15 (Sally's Lost Keys) for details.

On Monday afternoon, go to changing room and click on Sally's bag. That evening, Miss Newman and Miss Chang will have a fight and this event will unlock.

#### [STA13] The Old Headmaster's Safe

-----  
If you have not already done so, at the Friday School Board, choose to open the Lake (see under Other Rules). (Note: you should ensure Discipline is >= 20 before you do this, or grades will decrease every day the Lake is open.)

Complete the third dream (OTH16) by speaking to Ruth about the old headmaster's journal. In the morning, go to the lake and speak to Jimmy. Ask about "the old headmaster" and then "the old headmaster's body".

The following morning, Jimmy will take you to the spot where the headmaster died. You will find his wallet with the safe combination in it. Go to your office and click on the bookcase. You will then be able to unlock the safe and this event will unlock.

Fun note: if you tell yourself that you're a villain and you're OK with that, then you'll get the opportunity to humiliate Ruth by doing an underwear inspection on her later, during Ruth's Capitulation (STA14).

#### [STA14] Ruth's Capitulation

-----  
Complete the Old Headmaster's Safe (STA13), and then speak to Ruth in the Teachers' lounge about "the old headmaster's safe". You will have various options about how to speak to Ruth, but this event will still unlock.

Fun note: if you told yourself that you're a villain and you're OK with that during the Old Headmaster's safe (STA13), then you will have the opportunity to choose to humiliate Ruth, and to demand underwear inspections from her.

Note: Completing this quest is one of the actions you need to unlock the new girl Ada Campbell. See XTRA05 for details.

### STUDENT QUESTS 1 (EVENT LOG)

### =====

#### [STU01] Maxine's Protest (Part 1)

-----  
Unlock the Debbie Shows Maxine Who's boss event (PAT06). The next Sunday afternoon you will see Part 1 of Maxine's Protest. You can choose to break it up, or to walk away. Either will unlock this event, but if you break it up your popularity will decrease by 2 points.

Until you unlock Part 2 (STU02), Maxine will keep giving protests every Sunday afternoon. If you break it up, you will lose 2 popularity points, and if you walk away you will lose 2 discipline points.

Completing this event will also unlock the Student Quest "Taming a Prefect" (WT:QSTU01).

[STU02] Maxine's Protest (Part 2)

-----  
Complete Maxine's Protest Part 1 (STU01). Complete Debbie's Pledge of Loyalty (STU04) and make Debbie a prefect. The next Sunday afternoon, Debbie will stop the protest.

[STU03] Debbie Gets Fingered

-----  
Raise Debbie to punishment level 5 (XPUN04). During the punishment, position Debbie over Miss Newman's knee and rub her pussy. This will unlock the fingering option.

Position her with hands above her head and get Miss Newman to finger her to orgasm. This event will then unlock.

Note: Unlocking this event will allow you to complete STU04 (Debbie's Pledge of Loyalty) and make Debbie a prefect.

[STU04] Debbie's Pledge of Loyalty

-----  
Raise Debbie to punishment level 5 (XPUN04). Make sure that Miss Newman fingered her to orgasm during the punishment (see STU04). At the end of the punishment, you can choose to Assign Role to her. Debbie will give you a handjob and you will make her a prefect.

If you did not make her a prefect during when you initially raised her to level 5, you can punish her again, and you will be given the opportunity to assign her a role again.

(Fun note: once Debbie is a prefect, you will sometimes get a class event where Debbie is doing an underwear inspection of some of the other girls. The hallway interaction with her will also change. See XTRA06 and XTRA07 for more information.)

[STU05] Debbie Wants a Job

-----  
Complete the "A Man's Work" Main Quest (WT:QMAIN03) and the How to Discipline a Young Woman event (CLA11).

In the evening, summon Debbie to your office for punishment. Debbie will ask if she can keep being punished by Miss Newman and asks if it's enough that she keeps giving you handjobs.

Say "no it isn't", accept her offer when she offers you to suck your dick, and give her a private punishment.

If you have not already done so, you will need to raise Debbie to punishment level 6 during the punishment. See XPUN05 for details of how to do this.

At the end of the punishment, tell Debbie to give you a blowjob. This event will then unlock, regardless of which options you choose. However, to get the full scene, you should warn her you are about to cum.

#### [STU06] Future Female Sports Stars

---

Once you have popularity  $\geq 10$ , speak to Amy in the Sports Centre on Tuesday morning. She'll tell you she was expelled because she did a porn shoot. (Doing this will also unlock event OTH05, Amy and her abs, if you have not already done so.)

Once you have \$2000, use the Web Search option on your office computer to search for her porn. The next day, check your email and you'll be able to buy the magazine. It will arrive 5 working days (i.e. a full week) later.

Fun note: if you check your email the following day, you will receive an email from Mr Mycock saying that the school owners are interested in the girls and he is preparing to transfer legal guardianship of the girls to your school.

#### [STU07] The Twin Swap (Part 1)

---

Complete The Twin's Practical Joke (CLA02) and pass the Remove Skirts rule at the school board (XPUN01). Buy the paddle from the online store and wait for it to arrive (see XPUN02).

In the evening, spy on Mary's room. (If you haven't already spied on her, then Mary's room will initially be shown as "unknown room".) You will see the twins doing their homework and agreeing to swap places for a test.

#### [STU08] The Twin Swap (Part 2)

---

Complete the Twin Swap Part 1 (STU07) and then teach a class. This event will automatically play out. You will give the class a test and trick Louise.

#### [STU09] The Twin Swap (Part 3)

---

Complete the Twin Swap Part 2 (STU08). This event will automatically happen the same day as Part 2. After the afternoon period has finished, the twins will visit you in your office. You will inspect and spank them.

#### [STU10] The Twin Swap (Part 4)

---

Complete the Twin Swap Part 3 (STU09). In the evening, spy on Mary's room again. You will see them talking about their punishment. Louise will say that she wants revenge.

#### [STU11] The Twin Swap (Part 5)

---

Complete the Twin Swap Part 4 (STU10). This event will then automatically happen the next time you teach a class. Mary will ask you to inspect her before the rest of the class arrives. You will get +2 grade points.

#### [STU12] Sleeping in Reception (Part 1)

---

Complete Rachel and the Ointment (SPY04) by giving her a private punishment and then spying on her in the evening. The following morning, this event will automatically happen.

This event will unlock Rachel's Student Quest, "The Headmaster's Pet" (WT:QSTU02).

Note: during this event, you will have the option to order her to your office after school. However, you will not be able to raise her to the next punishment level until you have purchased the aloe vera cream, and you have not had the opportunity to do so yet.

(Of course, you can still get money or discipline points from giving her a private or public punishment.)

#### [STU13] Special Homework Assignment

---

Raise Rachel to punishment level 2 (XPUN06). At the end of the punishment, give her the special homework assignment. In the evening, spy on Rachel's room. You will see her masturbating (poorly).

#### [STU14] Sally and Rachel Get Changed

---

Complete Rachel's Special Homework Assignment (STU13) and raise Rachel to punishment level 3 (XPUN07).

At the end of the punishment, assign Rachel a role. You assign her a role of personal trainee. The following afternoon, there is a scene where Rachel reports to you. You will receive a message saying that you have a new follower: Rachel, and that you can click on her icon to interact with her.

On Monday, Tuesday, Wednesday or Friday afternoon, go to the sports centre. You will get a scene where Rachel says she doesn't like changing with other girls, and you agree she can change with you. Go into the men's changing room and this scene will unlock. You will see Sally and Rachel getting changed together.

Note #1: you have to click on the sports centre and then on the men's changing room. If you click on the quick access button on the main map menu, this scene will not unlock.

Note #2: Once Rachel is your trainee, there are several small scenes where Rachel will interact with other staff and students. Most of these will happen if you click on her icon, but some will happen automatically, or if you click on people in the classroom halls or sports centre hall.

#### [STU15] Rachel's Weakness Revealed

-----  
Complete Sally and Rachel Get Changed (STU14) and the Second Match event (SPT04). During the match say that you prefer small boobs or that you like both equally. (See XTRA08 if you said you liked big boobs.)

If you have not already done so, pass the Public Punishments "punishment outfit" rule at the Friday school board. You will need Discipline >= 25 and Influence >= 4 to do so.

Teach classes until you see Rachel falling asleep again. Order her to your office after school and give her a public (not private) punishment. Say that you like her boobs. You will then admire her body and this event will then unlock.

Completing this event will also unlock the ability to purchase the "cat ears".

#### [STU16] Confidence Building Exercise

-----

Complete the "Rachel's Weakness Revealed" event (STU15). Once you have \$150, buy the Cat Ears from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

Raise Rachel to punishment level 4 (XPUN08). At the end of the punishment, carry out the Special Confidence Building Technique. She will act like a cat and you will pet her. You will also tell her to do her "homework" that evening.

#### [STU17] Rachel Gets Frustrated

-----

Complete Rachel's Confidence Building Exercise (STU16). In the evening, spy on Rachel's room. You will see her trying to masturbate again.

#### [STU18] Sleeping in Reception (Part 2)

-----

Complete the Rachel Gets Frustrated event (STU17). The following morning, you will get a scene with Rachel sleeping in reception again and this event will automatically unlock.

You can unlock the "strip to underwear" corporal punishment rule during this event. Choose to teach her a lesson and then open her shirt. See XPUN09 for details.

#### [STU19] Making Rachel Jealous

-----

Complete Sleeping in Reception Part 2 (STU18).

Pass the rule to allow you to spank the girls yourself. (See CLA11, How to Discipline a Young Woman, for details).

Once you have 10 Influence and 55 Discipline, pass the Corporal Punishments rule "students may be ordered to strip down to their underwear" at the next Friday morning school board meeting.

Teach classes until you see Rachel falling asleep again, and give her a private punishment. At the start of the punishment, you will tell yourself "OK Rachel, time for your training to really kick up a notch".

Order her to strip to her underwear by removing her clothing including skirt and blouse. Sally will also strip to the waist and Rachel will feel her breasts. This event will unlock.

Note: you can continue to the punishment and raise Rachel to Level 5 (see XPUN10), but that is not required to unlock this event.

STUDENT QUESTS 2 (EVENT LOG)  
=====

#### [STU22] Amy and Maxine

-----  
Teach classes or do patrols until you can give Amy her first punishment (PUN01). You will automatically choose to punish her after school. You will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible. During the punishment, you will discover her weakness: she is a masochist who takes pleasure from being hurt but her tolerance for pain is much higher.

That evening, spy on Amy's room. (Note: Amy's room will initially be shown as an "unknown room".) You will see Maxine ask Amy to take a photo to gather evidence against the headmaster.

This event will unlock Amy's Student Quest, "The Spanking Connoisseur" (WT:QSTU04).

#### [STU23] Amy and the Riding Crop

---

Complete Amy and Maxine (STU22), and raise Debbie to punishment level 2 (XPUN01). Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

Teach classes or do patrols until you see Amy running in the halls (PAT05) or being late to class (CLA05). Choose to give her another private punishment. At the start of the punishment, Amy will give you a riding crop to punish her with.

Remove her clothing & skirt. Position her bent over the desk and do a hand spanking and ruler spanking. Position her over the knee and do a hand spanking. Put her in the diaper position and use the riding crop on her inner thigh. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 2).

Ask her about her sex life. She will admit to masturbating frequently and making out with multiple other students.

In the evening, spy on Amy's room. You will see her spanking herself with her riding crop.

#### [STU24] Amy in the Stationary Cupboard

---

Complete Amy and the Riding Crop (STU23) and Amy Gets Tickled (CLA10). Do a patrol during the week. You will see Amy making out with Tia in the stationary cupboard.

You will also automatically choose to give Amy a punishment after school.

#### [STU25] Amy's Multiple Orgasms

---

Complete Amy in the Stationary Cupboard (STU23) and Future Female Sports Stars (STU06). In the evening, spy on Amy's room. You will see her being upset about missing the Olympics.

If you have not already done so, buy the paddle from Online Shopping | Sex Toys option on your office computer. It will cost \$500. The paddle will arrive the following weekday.

Teach classes or do patrols until you get the opportunity to give Amy a Private punishment.

Note: You will automatically give Amy a private punishment at the end of the Stationary Cupboard event (STU23). If you have already completed the Future Female Sports Stars (STU06) event and spied on her, then you can complete this event during that punishment.

You will need to raise Amy to level 3. You may have already done this. In this case, you can simply choose to "end punishment" although is still worth giving a severe punishment to earn as much money as possible.

If Amy is still at Level 2, you should remove her clothing & skirt. Position her bent over the desk and give her a ruler spanking and paddle spanking. Position her over the knee, do a hand spanking and massage her buttocks. Put her in the diaper position and use the riding crop on her inner thigh. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 3).

At the end of the punishment, choose to "help her out". You will finger and lick her to multiple orgasms.

#### [STU26] Amy Teaches Tia a New Trick

---

Complete Amy's Multiple Orgasms (STU25). In the evening, spy on Amy's room again. You will see Amy teaching Tia how to give her multiple orgasms.

This event will unlock the ability to purchase the Chastity Panties.

#### [STU27] Amy's and Faye's Accident

---

Complete How to Discipline a Young Woman (CLA11) and Amy Teaches Tia a New Trick (STU26).

Once you have \$1000, buy the Chastity Panties from the Online Shopping | Clothing option on your office computer. They will arrive the following weekday.

Do a patrol. You will see Amy run into Faye. You will see the nurse treat Faye. You will automatically give Amy a private punishment that evening.

Fun note: if you have completed Faye the Faker (OTH14) before this event, you will see an extra scene when the nurse is treating Faye, and Faye pulls down her underwear and asks the nurse to take her temperature to prove she isn't faking her illness.

#### [STU28] Amy Gets New Underwear

---

Complete Amy's and Faye's Accident (STU27). You will automatically give Amy a private punishment that evening.

Amy will start the punishment at Level 3. Remove her clothing & skirt. Amy will volunteer to remove her underwear as well. Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee, do a hand spanking and massage her buttocks. Put her in the diaper position and use the riding crop on her inner thigh. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 4).

Note: This is just one way of completing the punishment. You can carry out different options if you wish. If you have the cane, you can use that. (The cane becomes available at the same time as the paddle. It will cost \$1000. See XPUN02 for details of unlocking the paddle.) You may also wish to finger Amy to orgasm.

At the end of the punishment, give her the chastity belt. You will tell Amy she is not allowed to orgasm for seven days. Debbie will put the chastity belt on Amy for you.

[STU29] Amy and Debbie in the Shower

-----  
Complete Amy Gets New Underwear (STU28). In the evening, spy on the shower room. You will see Debbie helping Amy to take a shower. You bet yourself that Amy will probably come crawling to your office begging for an orgasm first thing in the morning.

[STU30] Amy's Offer Part 1

-----  
Complete Amy Gets New Underwear (STU28). The following weekday morning, Amy will come to your office and beg you to remove the chastity underwear. You will refuse.

The next weekday morning, Amy will beg again, but this time she will offer to show you her boobs.

You can accept or refuse her offer. If you accept, Amy will strip and masturbate herself in your office. However, the timer will rest, which means that you will have to play these two morning events over again.

[STU31] Amy's Offer Part 2

-----  
Complete Amy's Offer Part 1 (STU30) and refuse Amy's offer to show you her boobs. The following weekday morning, Amy will come to your office again, but this time she will offer to jerk you off.

You can accept or refuse her offer. If you accept it, Amy will jerk you off while she masturbates, but the timer will reset, which means you will have to replay Amy's Offer Part 1 and this event (Part 2) over again.

[STU32] Amy's Offer Part 3

-----  
Complete Amy's Offer Part 2 (STU31) and refuse Amy's offer to jerk you off. The following weekday morning, Amy will come to your office again, but this time she will offer to suck your cock.

You can accept or refuse her offer. If you accept it, Amy will suck your cock while she masturbates, but Amy's Offer Part 1, Part 2 and this event (Part 3) over again.

Amy will start the punishment at Level 4. Remove her clothing & skirt. She won't be wearing any underwear.

Position her bent over the desk and give her a hand spanking, ruler spanking, and paddle spanking. Put her in the diaper position and use the riding crop on her inner thigh. Position her over your knee, give her a hand spanking and massage her buttocks. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 5).

Note: This is just one way of completing the punishment. You can carry out different options if you wish. If you have the cane, you can use that. (The cane becomes available at the same time as the paddle. It will cost \$1000. See XPUN02 for details of unlocking the paddle.)

At the end of the punishment, assign her a role. You will show her your copy of the Future Female Sports Stars magazine (see STU06) and you will have anal sex with her. She will then and she will agree to become a practice subject to help train other staff and Prefects in the art of discipline.

During this event, you will also be asked if you prefer big boobs or small boobs. In order to unlock Rachel's quest, it is best to either say you prefer small boobs or you like both equally. [LAK00] Opening the Lake

-----

\*\*\*\* This is not an actual event in the event log, but is provided for general information. \*\*\*\*

Before you can achieve any of these events, you will need to open the lake. To do this, on Friday morning, at the School Board, choose to "Open the Lake" (see under Other Rules).

Note: you should ensure Discipline is  $\geq 20$  before you do this, or grades will decrease every day the Lake is open.

[LAK01] The New Volley Ball Uniform

-----

Once you have completed Sally's Lost Keys (OTH15), visit the lake any afternoon. You will see the girls in their uniforms, and this event will unlock.

#### [LAK02] Donna and the Beast

-----

On Monday, Tuesday, Wednesday or Thursday morning, go to the lake and speak to Jimmy and Beast.

On Saturday afternoon, visit the lake and speak to Donna. She will be very rude to you. Press the right arrow and speak to Beast again. He will fetch you a beer.

(The steps above aren't required to unlock the event but they help to develop the story.)

On the right of the lake (next to the sunbathing Charlotte) there is a pile of stones. Click on them and you will find a bikini. Speak to Beast and show him the lost bikini. Beast will rip the Donna's bikini bottom off her and give it to you.

#### [LAK03] Emily the Nudist

-----

Complete Lucy and the Bee (OTH20). On Sunday morning, go to the lake. You will see Lucy helping Emily to change into her bikini, and you will convince Emily to become a reluctant nudist.

#### [LAK04] Amy Goes for a Swim

-----

Once you have +3 horniness points, go to the Lake on Saturday afternoon and speak to Amy and her friends. Amy will try to tempt you into the water by taking her top off. If you agree, you will get +1 popularity.

Note: for a list of all the horniness points and how to get them, see INFO2.

-----

Visit the gym hall in the Sports Centre on Wednesday night and talk to at least one of the people there.

#### [OTH02] Faye's Embarrassing Situation

[OTH03] Lucy the Maid

[OTH04] Liz and the Blue Underwear

-----

On Monday morning and Friday afternoon, you can talk to Liz in the classroom building. The first time you talk, you will get some background information about her.

Once you have Discipline  $\geq 18$  and Influence  $\geq 4$ , pass the Strict Uniform Policy at the Friday school board. This will allow you to inspect the students' underwear

Talk to Liz again and carry out a uniform inspection. You will tell her she can't wear blue underwear.

Doing this will also allow you to unlock the second version of the Windy Day patrol event [PAT01].

If you do another uniform inspection, you will tell her you think going commando excites her. She denies this but you decide to spy on her in her room. (This step isn't required but helps develop the story.)

In the evening, spy on Liz's room. She will tell her friends that she finds it exciting to walk around without underwear. The next time you talk to her, do a uniform inspection and you will fondle her vagina and find she is soaking wet. You will get +1 horniness point and this event will unlock.

[OTH05] Amy and Her Abs

-----

On Tuesday morning, go to the sports centre and talk to Amy. She will show you her abs. If you have popularity  $\geq 10$  then she will also tell you about her porn shoot and you can also unlock the first part of the Future Female Sports Stars event (STU06). The following Tuesday, speak to her again and she will allow you to touch her abs.

[OTH06] The first Group Medical

[OTH07] The Second Dream

-----

To get the second dream, you need to fully complete the "Order to the Chaos" Main Quest (WT:QMAIN01).

To do this, you will need to complete STA01 (Miss Chang's Formula), STA02 (The Interview), STA05 (Spanking the English Teacher) and STA08 (Stealing Priti's Password). If you hired Trixie during the interview (STA02), you will also need to complete XTRA01 to hire Anna as the lab technician.

If you have not already done so, you will need to pass at least one rule at the Friday school board. Keep Discipline above 20 and at night you will get the Second Dream event.

If you have not already unlocked the Remove Skirts Rule (XPUN01), then the next weekday morning you will see a scene with Sally and Izzy running. The option to buy paddle will be unlocked. The option to propose new Corporal Punishment rule to remove skirts will become available.

#### [OTH08] The First Dance Lesson

-----

After you have hired Trixie as the Dance Teacher (STA03 or XTRA01), visit the gym on Wednesday morning. You can stay and watch the class if you want, but even if you leave immediately the event is unlocked.

#### [OTH09] The First Board Meeting

-----

This will happen automatically on the first Friday morning (day 5).

#### [OTH10] Sally and the Towels

-----

If you have not already done so, have your initial conversation with Sally on Monday, Tuesday, Wednesday or Friday afternoon. See OTH15 (Sally's Lost Keys) for details.

On Monday afternoon, go to the men's changing room and click on the shower area. You will be told that if you go forward any further Sally will notice you.

(If you click on the towel rack and you will be told that there is one big towel and lots of small ones. This step is not required but helps explain the prank you are about to pull.)

Click on the shower area, and Sally will ask you wait a couple of minutes. She will then come out of the shower and takes the big towel. This first scene will be unlocked in the event log.

The next Monday afternoon, go to the men's changing room and click on the shower area again. Click on the towel rack, and choose to grab the big towel. Click on the shower area, and Sally will again ask you to wait a couple of minutes. This time, when she comes out, she will be forced to use one of the small towels instead. This new scene will be unlocked in the event log.

#### [OTH11] Lucy Runs You a Bath

-----

Complete Lucy's Request (PAP03) and employ Lucy as your maid. Once you have \$400, buy the maid outfit from the Online Shopping | Clothing option on your office computer. It will arrive the next day. The following Saturday, get Lucy to wear the maid outfit and pay her the extra \$20. If you take a peek when she's changing, choose "better not push my luck".

(Note: If you buy the maid's outfit before Lucy starts working for you, you can unlock the Lucy the Maid event (OTH03) at the same time as completing this.)

The following Saturday, Lucy will automatically change into her maid's outfit and you will decide to take a bath. You will have the opportunity to expose yourself to Lucy. To do this, choose to get in the bath, and then demand to know where she's been.

This event will unlock regardless of what you choose. However, to unlock Lucy Tells All (PAT09), you will need to expose yourself to Lucy.

#### [OTH12] Lucy and the Broken Vase

-----

Complete Lucy runs you a bath (OTH11). The following Saturday, Lucy will automatically change into her maid's outfit. She will break a vase when cleaning. This event will unlock automatically, but if you lie and say the vase was expensive, then you get the opportunity to spank Lucy.

You will pay her \$50 and if you spank her, you will also give her a tip. You can choose to give her \$10, \$50 or \$100.

If you previously exposed yourself to her during event OTH11 (Lucy runs you a bath) and you spank her now, make sure you give her at least a \$50 tip, or else she will refuse to come the following Saturday. (If she refuses, you will need to speak to her in the school hall on Friday afternoon, and pay her \$500 to change her mind.)

#### [OTH13] Lucy and the Apron

-----

Complete Lucy and the Broken Vase (OTH12). Once you have \$200, buy the apron from the Online Shopping | Clothing option on your office computer. It will arrive the next day.

The following Saturday, Lucy will automatically change into her maid outfit and will serve you breakfast. The event will automatically unlock her, but to see the full scene, you will need to say that the coffee is terrible and agree to pay her the extra money to wear the apron. You will pay her \$150.

#### [OTH14] Faye the Faker

-----

You can talk to the nurse in her office (in the sports centre) on Monday, Tuesday, Thursday or Friday afternoon.

The first time you speak to her, she tells you there are a few students who often see the nurse. You see Faye sleeping on a bed. The second time you speak to the nurse, Faye will come into the office, and the nurse will mention this is the second time this week Faye has been in.

Once you have \$250, buy the Butt Plug from Online Shopping | Sex Toys option on your office computer. It will arrive the next day. The Butt Plug is available from the start of the game, so you can order it even before you've spoken to the nurse.

Speak to the nurse for the third time. Faye will come in, and you will make sure she doesn't think about skipping any more classes. The scene will then unlock.

Fun note: If you speak to Faye in the dorm room on Tuesday evening, she will initially talk about how she used to be sexually harassed at her old school. But after this event is unlocked, if you talk to her she will mention how weird the butt plug felt instead.

#### [OTH15] Sally's Lost Keys

-----  
The first time you speak to Sally in the Sports Centre changing room, she will apologize for exposing herself to you on Day 1. If you have not already done so, speak to Sally on Monday, Tuesday, Wednesday or Friday afternoon to have this initial conversation.

After you have had the initial conversation, then on Tuesday, Wednesday or Friday afternoon, you can talk to Sally in the changing room in the Sports Centre. Initially, you will see Sally standing in front of the lockers. Speak to her about "more about you". After you do this, and after the first Board meeting (OTH09), you will see Sally in her underwear standing in front of the mirror instead. Speak to Sally again, and she will ask you if you have found a set of keys.

Complete events OTH10 (Sally and the Towels) and OTH07 (the Second Dream). At the School Board, choose to open the Lake (see under Other Rules). (Note: you should ensure Discipline is  $\geq 20$  before you do this, or grades will decrease every day the Lake is open.)

The first weekday after you have the second dream (OTH07), Samantha will tell you that the groundskeeper wants to talk to you about some keys. Once the Lake is opened, you can speak to him any morning. Ask him about the missing keys and he will give you Sally's keys.

On Monday, Tuesday, Wednesday or Friday afternoon, talk to Sally again. This time she will be standing naked in front of the mirror. You can choose to give her the keys or throw them to her. The event will unlock either way.

(Fun note #1: the best option is to throw the keys and then admit you were being sneaky.)

(Fun note #2: Once you have completed this event, then if you punish Rachel in class during the afternoon (CLA06), you will see Sally wearing her volleyball uniform instead of her normal clothes.)

#### [OTH16] The Third Dream (Rosie and Sarah)

-----  
Complete Little Sally Still Wants to Fight (STA12). Open the Recycle bin on your computer and read the (previously locked) April 16 entry. Go to

the Teachers' Lounge and speak to Ruth about the old headmaster's journal. At night, you will then get the third dream and this event will unlock.

#### [OTH17] Sally Tests Your Skills

-----

(If you go to the Sports Centre on Thursday afternoon, you will see Sally with a group of students. If you talk to her, you will find that she is about to take them on a long run. This step is not required but it does provide some background information for the event.)

Teach a sports class on Thursday afternoon. After the lesson, you will take a shower, and the initial version of this event will play out. Sally will come into the changing room and wait for you to leave the showers before she gets in.

This will unlock the event in the event log. However, to get the full version, you will need to complete Sally's Lost Keys (OTH15) and Debbie's Pledge of Loyalty (STU04).

Once you have done this, teach a sports class on Thursday afternoon. After the lesson, you will take a shower. Sally will come into the shower and the full version of this event will play out. You will spank her and then have sex with her.

Note: until you have completed Sally's Lost Keys or Debbie's Pledge of Loyalty, Sally will not join you in the shower. However, the dialogue will change slightly depending on what you have done. E.g. if you threw Sally her keys (during OTH15) then you will mention seeing her naked. If you have made Debbie a prefect (STU04) you will mention the connection between you and Sally.

Fun note: after you have unlocked the full version of this event, then on Monday afternoons you will be able to join Sally in the shower and have sex with her again.

#### [OTH18] First Date with Samantha

-----

Make sure that you have at least \$140. Go to the school office and ask Samantha about "the local area" and then "ask her out for dinner". That evening, you will go on the date with Samantha.

Complement her outfit, order the finest red wine, and choose to have the same as Samantha. Ask about her interests, and then say that you are keen on home improvements. Ask about her sister and her love life.

Arabella will bring the wrong order. Chose to "Intervene" and then "go check it out". Open the door a little further, and then say that "actually, I do mind".

At the end of the meal say that it was delicious and then pay for everything. The bill will be \$140. Samantha will kiss you and you'll say that you thought dinner went very well.

Game note: if you press "skip day", you will not go on the date. (Pressing "skip period" is OK.) You will still get the date on any following day where you don't press "skip day".

#### [OTH19] Meeting Lily

-----

The morning after your date with Samantha (OTH18), you will get a scene where Samantha is talking to her sister, and this event will automatically unlock.

#### [OTH20] Lucy and the Bee

-----

Complete Lucy and the Apron. The following Saturday, Lucy will automatically wear the apron again. She will serve you tea in the garden, and you will find out she is allergic to bees. This event will unlock automatically, but if you lie and say that the bee is still on her, you will get the opportunity to feel her breasts. You will pay her \$150.

On following Saturdays, you will get to choose what she wears. If she wears her own clothes or school uniform, it will cost you \$30. If she wears the maid outfit, she will charge \$50, and if she wears the apron she will charge \$150.

#### [OTH21] Movie Night

-----

On Friday evening, go to the dorm and speak to the group of girls there. Say "sure", you're happy to watch it with them.

If you choose the Romance or Horror movies, you will get +1 popularity points. If you choose the Documentary, you will get +1 grades. If you choose the Arthouse film, everyone will fall asleep.

The following Friday, speak to the group again. Suggest a Raunchy movie. You will get +1 Horniness point.

#### [OTH22] Dungeons and Dragons Part 1

-----

On Sunday afternoon, go to the dorm and speak to the group of girls there. They are playing dungeons and dragons. Agree to watch them play. You will be joined by Miss Chang.

At the end of the game, you will be asked who had the best costume. You should choose Faye.

This is the bad ending, which means you have failed. It can happen at any time if Discipline falls to zero.

STUDENT PUNISHMENT INFORMATION

=====

\*\*\*\* This section explains how to raise the punishment levels of the girls and unlock the associated school rules. They are not actual events in the event log, but you will need to do them before completing some of the other events. \*\*\*\*

[XPUN01] Debbie: Unlocking the Remove Skirts Rule

-----

Teach classes or do patrols until you see Debbie bullying Lucy. Choose to give her a private punishment. (Note: the first part of this can be completed at the same time as completing Debbie's punishment event PUN03.)

You are told that you will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible.

The next weekday morning you will see a scene with Sally and Izzy running. The option to buy the paddle and the cane will be unlocked. The option to propose the new Corporal Punishment rule to remove skirts will become available.

Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

[XPUN02] Debbie: Raising to Level 3

-----

Raise Debbie to punishment level 2 (XPUN01) and pass the Corporal Punishment rule to remove skirts.

Once you have \$500, buy the paddle from Online Shopping | Sex Toys option on your office computer. The paddle will arrive the following weekday.

Teach classes or do patrols until you see Debbie bullying Lucy again and you can give her another private punishment. (See events PAT02, Lucy Gets a Wedgie or CLA07, Debbie the Bully.)

At the start of this punishment, you should get a message saying you have everything you need to cause sufficient pain and humiliation.

Remove her clothing & skirt. Position her with hands above her head, and do a body search. Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over Miss Newman's knee and massage her buttocks. This will unlock a new "massage inner thighs" action. Massage her inner thighs. You will then get a message saying that you have raised Debbie to level 3.

Sally will tell you she is impressed, and you will get +1 Influence point. Get Debbie to thank you. You are told to patrol the halls to see if Debbie is behaving.

[XPUN03] Debbie: Unlocking the Very Strict Uniform Policy

-----  
Once you have \$1000, buy the Digital Camera from the Online Shopping | Electronics option on your office computer. (You might already have the camera if you have completed STA09, Priti's Pictures.) The camera will arrive the following weekday.

Once the camera arrives, carry out a patrol. You will see Debbie start to apologize to Lucy, until Cassandra arrives and Debbie bullies Lucy again. When Debbie arrives at your office after school, choose to give her another private punishment.

Note: this patrol event only happens once. If you do not complete it successfully (e.g. if you don't have the camera, or you choose to give Debbie a public punishment instead) then it will not repeat. Instead, see CLA08 (Debbie's Inner Turmoil) for the new event you will do.

Debbie will start this punishment at Level 3. Remove her clothing & skirt. Position her with hands above her head, do a body search and use the camera to take pictures. Position her bent over the desk and do a ruler spanking and a paddle spanking. Position her over Miss Newman's knee. Massage her inner thighs. This will unlock the "rub pussy" action. Rub her pussy. You will then get a message saying that you have raised Debbie to level 4.

Sally will say she's worried about touching a student's pussy, you will reassure her and you will get +1 Influence point.

Debbie will then stand in front of her. Touch her hair and face, then touch her arms, then touch her legs, then touch her breasts. This will unlock the ability to propose the Very Strict Uniform Policy rule at the School Board, which allows you to confiscate clothing. You can also try to touch Debbie's pussy but she will refuse.

The following morning, Miss Newman will speak to you. Admit you enjoy the spankings, and you will get +1 Influence point.

Once you have 6 Influence and 30 Discipline, pass the Very Strict Uniform Policy at the next Friday morning school board meeting.

(Fun note: once you raise Debbie to Level 4, her class events and hallway interactions will change. See XTRA06 and XTRA07 for details.)

Game note: once you have raised Debbie to Level 4, you MUST touch her breasts. If you do not, you cannot unlock the Very Strict Uniform Policy. Unfortunately, once you have raised Debbie to Level 4, you will not get another opportunity to punish her until you have passed the Very Strict Uniform Policy.

Instead, you will need to use the Event Log to replay the event, and then touch her breast during the replay. This will then unlock the Very Strict Uniform Policy, and allow you to pass the rule at the next school Board

Alternative method: if you have not yet completed PAT06 (Debbie Shows Maxine Who's Boss), then this event will give you one further opportunity to punish Debbie. You can then touch her breasts and unlock the rule during that punishment.

#### [XPUN04] Debbie: Level 5 Punishment

-----

Complete Debbie punishment event XPUN03. Teach classes until you see Debbie being teased by Donna. Choose to give Debbie a private punishment.

Remove her clothing & skirt (her panties will also be removed). Position her with hands above her head, and do a body search or use the camera to take pictures. Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over Miss Newman's knee and rub her pussy. This will unlock the fingering option. Position her with hands above her head and get Miss Newman to finger her to orgasm. You will then get a message saying that you have raised Debbie to level 5.

You can then assign her a role as prefect. See Debbie's Pledge of Loyalty (STU04).

Note: It is possible to raise Debbie to Level 5 without having Miss Newman finger her to orgasm. However, you will not be able to assign her a role as a prefect unless you do.

(Fun note: once you make Debbie a prefect, her class events and hallway interactions will change. See XTRA06 and XTRA07 for details.)

#### [XPUN05] Debbie: Raising to Level 6

-----

Remove her clothing & skirt (her panties will also be removed). Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over Miss Newman's knee, massage her buttocks, massage her inner thighs and rub her pussy. You will then get a message saying that you have raised Debbie to the next level (level 6).

#### [XPUN06] Rachel: Raising to Level 2

-----

Teach classes until you see Rachel falling asleep, and give her a private punishment. (Note: the first part of this can be completed at the same time as completing Rachel's punishment event PUN04.)

1st punishment: (Rachel starts punishment at Level 1). You will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible.

Afterwards, complete Rachel and the Ointment (SPY04) Once you have \$50, buy the Aloe Vera Cream from the Online Shopping | Health option on your office computer.

If you have not already done so, you will also need to pass the Remove Skirts rule by punishing Debbie (XPUN01).

2nd Punishment: Teach classes until you see Rachel falling asleep again, and give her a private punishment. At the start of the punishment, you will tell yourself that "I should have everything I need now".

Remove her clothing & skirt. Position her bent over the desk and do both a hand spanking and ruler spanking. Position her over the knee, apply ointment, give her a hand spanking and massage her buttocks. You will then get a message saying that you have raised her to the next level.

At the end of the punishment you will get the opportunity to give her a special homework assignment, where you tell her to masturbate herself. See STU13.

[XPUN07] Rachel: Raising to Level 3

-----

Raise Rachel to punishment level 2 (XPUN06) first.

Raise Debbie to punishment level 3 (see XPUN02) in order to unlock the "massage inner thighs" option. (Debbie's Level 3 punishment will also involve you purchasing the paddle.)

Teach classes until you see Rachel falling asleep again, and give her a private punishment. Remove her clothing & skirt. Position her with hands above her head, and do a body search. (If you have it, you can use the camera to take pictures instead of doing a body search).

Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over the knee, apply the ointment, give her a hand spanking and massage her inner thigh. You will then get a message saying that you have raised her to the next level.

At the end of the punishment you will have the option to assign Rachel as your personal trainee. You will then have to have her get changed in the gym, play two games with the gym class, and give her a public punishment. See Sally and Rachel Get Changed (STU14) and Rachel's Weakness Revealed (STU15) for details.

[XPUN08] Rachel: Raising to Level 4

-----

Raise Rachel to punishment level 3 (XPUN07) and raise Debbie to punishment level 4 (see XPUN03). Debbie's punishment will unlock the "rub pussy" option that you will need. (Debbie's Level 3 punishment will also involve you purchasing the camera that you will need as well.)

If you wish to complete the after punishment activity (pet play), you will also need to complete STU15, Rachel's Weakness Revealed. (This involves teaching the First and Second Matches and then giving Rachel a public punishment where you tell her that you like her body.) You will also need to buy the "cat ears" (see STU16).

Teach classes until you see Rachel falling asleep again, and give her a private punishment. You will tell yourself that you feel like you "know Rachel a lot better now".

Remove her clothing & skirt. Position her with hands above her head, do a body search and use the camera to take pictures. Position her bent over

the desk and do a ruler spanking and a paddle spanking. Position her over the knee. Massage her inner thighs and rub her pussy. You will then get a message saying you have raised her to the next level.

At the end of the punishment you will have the option to do some pet play with Rachel. See STU16, Confidence Building Exercise.

#### [XPUN09] Rachel: Unlocking the Strip to Underwear Rule

-----

Raise Rachel to punishment level 4 (XPUN08) and then complete the Confidence Building Exercise (STU16) and Rachel Gets Frustrated (STU17). This involves you doing some pet play with Rachel after her punishment, telling her to do her special masturbation homework, and then spying on her that evening.

The morning after you see Rachel Gets Frustrated, you will see Rachel's Sleeping in Reception Part 2 event (STU18). Decide to teach her a lesson. Pull her knickers down (you can also peak at her vagina if you want) and then open up her shirt. This will then allow you to propose the new rule at the school board.

Note: If you don't unlock the rule during the Sleeping in Reception event, you will need to teach classes until you see Rachel falling asleep again, and give her a private punishment. This will then unlock the ability to propose the new rule at the school board.

#### [XPUN10] Rachel: Raising to Level 5

-----

Once you have 9 Influence and 40 Discipline, pass the "corporal punishments may be carried out by any teacher regardless of gender" rule. See How to Discipline a Young Woman (CLA11) for details.

Raise Rachel to Level 4 (XPUN08) and unlock the "strip to underwear" rule (XPUN09). Once you have 10 Influence and 55 Discipline, pass the Corporal Punishments rule "students may be ordered to strip down to their underwear" rule.

Teach classes until you see Rachel falling asleep again, and give her a private punishment. At the start of this punishment, Sally will also strip to the waist in order to make Rachel jealous. See Making Rachel Jealous (STU19) for further details.

Position Rachel with hands above her head and then pinch her nipples and lick her nipples. (It doesn't matter if you do this or Sally does it.)

Position her bent over the desk and give her a hand (or ruler) spanking and a paddle spanking. Position her over the knee and rub her pussy. You will then get a message saying you have raised her to the next level.

At the end of the punishment you will have the option to tell her to do A Test of Confidence (STU20).

#### [XPUN11] Amy: Level 2

-----

Unlike Debbie and Rachel, most of Amy's punishment events are in the Event Log and so the information about how to complete Amy's punishment is already included in this document. For ease of use, however, the following is a quick guide to completing Amy's punishment levels:

#### Level 2:

Teach classes or do patrols until you can give Amy her first punishment (PUN01). You will not be able to level her up during this punishment. In the evening, spy on Amy's room. You will see Maxine ask Amy to take a photo to gather evidence (STU22).

Pass the Remove Skirts rule (XPUN01). Teach classes or do patrols until you can give Amy another punishment. At the start of the punishment, Amy will give you a riding crop to punish her with. See STU23 for details of completing the punishment.

After the punishment, ask her about her sex life. In the evening, spy on Amy's room. You will see her spanking herself with her riding crop (STU23).

#### [XPUN12] Amy: Level 3

-----  
Complete Future Female Sports Stars (STU06) by speaking to Amy in the gym on Tuesday morning, and then buying the porn magazine. Spy on her in the evening and you will see her being upset about missing the Olympics.

Complete Amy Gets Tickled (CLA10) by spanking her in class twice.

Carry out a Patrol, and you will see Amy making out with Tia in the stationary cupboard (STU24). You will also automatically choose to give Amy a punishment after school. See STU25 for details of raising Amy to Level 3.

At the end of the punishment, choose to "help her out". You will finger and lick her to multiple orgasms (STU25). In the evening, spy on Amy's room again. You will see Amy teaching Tia how to give her multiple orgasms (STU26). This event will unlock the ability to purchase the Chastity Panties.

#### [XPUN13] Amy: Level 4

-----  
Complete the "A Man's Work Quest" and pass the "corporal punishments may be carried out by any teacher regardless of gender" rule to allow you to spank the girls yourself (CLA11).

Purchase the chastity panties and do a patrol. You will see Amy run into Faye (STU27). You will automatically give Amy a private punishment that evening. See STU28 for details of raising Amy to level 4.

At the end of the punishment, give her the chastity belt (STU28). In the evening, spy on Amy and Debbie in the shower (STU29).

Fun note: if you have completed Faye the Faker (OTH14) before this event, you will see an extra scene when the nurse is treating Faye.

#### [XPUN14] Amy: Level 5

-----  
During the next week, Amy will come to your office and beg you to remove the chastity panties (STU30, STU31, STU32). You should refuse these offers. The next weekday morning, Amy will come to your office again and offer to fuck you. You will tell her to come back after school. In the evening, you will remove the chastity panties and then give Amy a private punishment.

See STU33 for details of raising Amy to level 5. At the end of the punishment, assign Amy a role. You will have anal sex with Amy, and she will agree to become a practice subject for you (STU33).

[XTRA02] Priti's Photoshoot: Ordering Her to Strip  
-----

During Priti's Photoshoot (STA09), you can choose to "order her to strip" or "trick her". For the "trick her" option, see STA10.

If you choose "order her to strip", then after you've taken the photos, you will need to choose to "stop". If you choose to "keep going", you will be interrupted by the School inspector Ruth, and you'll get a bad game ending.

The following morning, Samantha will tell you that Priti was seen running from your office in tears. Your grades, discipline and popularity will all decrease by 10. If this causes grades or discipline to fall to zero, you will get an immediate bad game ending. This can include the Student Revolt ending (END01).

When you give Mr Wilson the photos of Priti being forced to strip, he will complain about the fact that she is not smiling. You will only get +1 influence point, instead of the +2 influence points you would get from the other two paths (either STA111, hiring the prostitute for him or XTRA03, tricking Priti into stripping).

(Fun note: if you chose to order her to strip, you can then view the photos you took using the Photo Album app on your computer.)

#### [XTRA03] Priti as a Picture (Alternative Paths)

-----  
If you want to both complete the "Priti as a Picture" staff quest (WT:QSTA03) and fully unlock all the events in the Event log, you will need to complete STA01, STA08, STA09, STA10 and STA11 in order.

However, if you just want to complete the staff quest and don't mind about unlocking all the items in the event log, there are a couple of alternative ways of completing the staff quest.

##### Alternative path #1:

-----  
After you have completed Priti's Photoshoot (STA06) and visit Mr Wilson in the evening, you can simply agree to hand over the photos of Priti. This will give you 2 influence points, but it means that the "Wanna Buy Some Candy" event (STA11) will not unlock.

##### Alternative path #2:

-----  
You do not have to complete Priti's Pictures (STA09) or Priti's Photoshoot (STA10). Instead, after you hire Trixie (STA03 or XTRA01) and steal Priti's password (STA08), visit Mr Wilson in the evening to hand over the password. Visit him again the following evening and ask for "more help with the board". Refuse when he says he wants nude pictures of Priti. You can then agree to give him a night with a prostitute instead.

This will allow you to unlock the "Wanna Buy Some Candy" event (STA11) but you will not be able to unlock Priti's Pictures (STA09) or Priti's Photoshoot (STA10).

Note: you can change your mind about whether you take the nude pictures of Priti or not. To do this, visit Mr Wilson in the evening. Speak to him about the "photos of Priti". You will then tell him "I've decided to help you" (if you want to take the photos) or "I've changed my mind" (if you don't want to take the photos).

#### [XTRA04] Selling Photos to Mycock

-----  
The morning after you complete Priti's photoshoot (STA10), Mycock will visit you and offer to buy a copy of the photos. If you agree he will pay you \$200.

He will then offer to buy photos you take of any of the girls during a private punishment, and you will agree. From that point onwards, if you take photos of a girl during a private punishment, you will receive an extra \$50.

Note #1: at the moment you can only take photos of Debbie and Rachel, not any of the other girls.

Note #2: if you order Priti to strip, instead of tricking her (see STA09), this event will not unlock.

#### [XTRA05] Ada Campbell

-----  
Ada Campbell is a new girl who joins the school. Complete Debbie's Pledge of Loyalty (STU04) to make Debbie your prefect, and complete Maxine's Demand (PAP02) (You do not have to complete PAP03, Lucy's Request.)

The following weekday morning, Samantha will tell you that Mr Myock is sending a new girl to the school and she will arrive the following morning.

The following morning you will see a scene where Ada arrives at the school and you talk to her. You can then see Ada in the classroom hall on Monday afternoons.

If you have not unlocked Ada by the time you pass the school rule to punish the girls yourself, then immediately after the school board meeting, you will see the scene where Ada arrives before the How to Discipline a Young Woman scene (CLA11) plays out.

#### [XTRA06] Debbie: Further Class Events

-----

There are three very different versions of the "Debbie the Bully" class event (CLA07). They will all randomly happen when you teach a class.

First version: this shows Debbie with Lucy in a headlock. It is available from the start of the game. This is the version you will see when you unlock the event in the Event Log.

Once you have raised Debbie to punishment level 3 (see XPUN02) this event will no longer occur.

Second version: this will happen once you have raised Debbie to punishment level 4 and passed the Very Strict Uniform Policy (see XPUN03). You are told that all the girls are behaving themselves and even Debbie is doing her work. You will get 2 grade points. At the end of the class Donna will tease Debbie and Debbie will hit Donna. You will automatically choose to punish Debbie after school.

(Note: if you have not passed the Very Strict Uniform Policy, then you will not see the scene where Donna teases Debbie. You will get 2 grade points but you will not get the opportunity to punish Debbie.)

Third version: once you have made Debbie a Prefect (STU04), then you will see a scene where Debbie is carrying out an underwear inspection on three students. You will get 2 Discipline and 2 Grade points.

#### [XTRA07] Debbie & Cassandra Hallway Interactions

-----

On Wednesday mornings, you will see (and can speak to) Debbie and Cassandra in the classroom hallway. At first, the two girls will be disrespectful.

Once you have raised Debbie to level 4 (see XPUN03), she will become (slightly) more respectful. Once you have made Debbie a prefect (see XPUN04 and STU04) then you will see her doing an underwear inspection on Cassandra.

#### [XTRA08] Convincing Rachel you like Small Boobs

During the Second Match (SPT04), if you say you like large boobs, you will not be able to immediately complete the "Rachel's Weakness Revealed" event (STU15). You will need to complete an additional action first.

On Thursday afternoon, teach a sports class. Rachel will hide in the corner. You will tell yourself it was a grave error to have said you preferred big boobs.

You can then continue with Rachel's quest and complete Rachel's Weakness Revealed.

Note: The Rachel's Weakness event will play slightly differently if you had to take this additional step. This version is not fully completed in the game, and there is a dev note saying additional dialogue will be added later.

#### [INF04] Evening Grade Point Change

-----  
The number of discipline points you have will have an impact on the school grades. Every evening (except Saturday), you will receive a message about whether the girls did any studying or not, and the grades may go up or down as a result.

Disc. Gr. Message/ grade change

-----  
1-19: -1 Girls did not study, grades are falling  
20-30: 0 Girls studied a little, grades are steady  
31-40: +1 Most girls studied, grades are improving  
41+: 0 No message.

Disc. = Discipline points at end of day  
Gr. = Grade change

#### [INF05] Earning Money

-----  
The main sources of money are your weekly salary, and payments for spanking the girls in your office.

Your weekly salary is \$500. This is paid on Saturday morning. Once you have hired Anna as the lab technician (STA02), then her \$100 salary will be automatically deducted from this.

When spanking Cassandra you will earn a flat fee of \$200. The payment calculation for Debbie, Rachel and Amy is more complicated. See INFO06 (below) for more information.

#### [INF06] Payments for Spanking Debbie, Rachel & Amy

-----  
When spanking Debbie, Rachel or Amy, you will earn a fee based on the following formula:

$(\text{Pain} + \text{Humiliation} + \text{Pleasure}) \times \text{Level Modifier}$

The level modifier is 10 for level 1, 15 for level 2 and so on, up to 35 for level 6.

You can also earn an extra \$50 from each spanking session if you use the digital camera to take photos. See XTRA04 for more details.

Example: the maximum you can earn for a level 6 punishment with Debbie is \$890. This is calculated as:

$(8 \text{ pain} + 8 \text{ humiliation} + 8 \text{ pleasure}) = 24 \text{ points}$

24 points x Level 6 Modifier (35) = \$840  
\$840 + \$50 for photos = \$890
