

Why should you choose New Way  
Diving for your Koh Tao scuba diving  
courses of all levels from

NEW WAY

Newwaydiving is the first boat on the dive site because our customers always come first. We provide a safe, comfortable and of course fun environment for you to learn to scuba dive, and a fantastic beach location from which to watch the daily sunsets and unwind with your instructors and divemasters.

Whether you're a beginner on your PADI open water course or learning to be a PADI Specialist Diver, you'll relish developing new skills and confidence with our team at New Way Diving. Here in New Way Diving, you get [Koh Tao scuba diving courses](#) that include dives on some of the best dive sites around Koh Tao.

New Way Diving encompasses a maximum group size of 4 divers to 1 Instructor / Divemaster. We usually do our confined coaching sessions within the ocean close to the beaches of Koh Nang Yuan, Aow Leuk or Mango bay, thus you get to visualize fish from your initial breaths underwater. We usually try to finish courses at Sail Rock on the final 2 dives since this is one of the best dive sites in the Gulf of Thailand, and we visit it on an almost daily basis.

If the trip is running on the day that you finish, which is usually the case, then we will take you on this amazing trip for no additional charge, otherwise it is another great reason to continue your [Koh Tao scuba diving courses](#) and enroll in the Advanced Course, which will take you deeper and make you a more comfortable and experienced diver. Plus you get another chance to visit the incredible Sail Rock.

This is one of the main reasons that so many people think to join us for their [\*\*Divemaster Course on Koh Tao\*\*](#) – they get to dive the best dive sites in the Gulf of Thailand on an almost daily basis. Our service doesn't simply stop after you get out of the water. Once we return to the shop each day and finish washing the equipment, our diving family is often found at Lazy Bar, which is New Way's Beach Bar, socializing and sharing their tips on diving and the local area.
